

GM 1973 > 34 yrs as UAW Member
Ret'd 2007

Multiple Contracts
including Bargained Benefits
& concessions

I am not only a former employee
I am a GM Customer
I have always owned a UAW
CAR FOR 29 years I have
driven a GM vehicle.

I took care of my job with
GM as an employee I expected
GM would take care of me in
retirement.

I made my retirement plans
based on the reasonable
expectation of the benefits
agreed upon by contract.

What contribution is
Management making to the
new Company?

NOW THAT WE THE RETIREE HAS
GIVING UP ALL OF THESE CONCESSIONS,
WHAT WILL THE NEW GM DO FOR
THE RETIREE? WILL WE GET THE SAME
BENEFITS THAT THE NEW RETIREE GET
FROM THE NEW GENERAL MOTORS OR WILL
OUR STAY AS IT?

RETIREE
